

AT THE GRAND

Isabel Irving

A unique presentation is that arranged by Liebler & Co., at the Grand, Thursday, March 5, when Miss Isabel Irving, the charming American actress who was for two years at the head of The Crisis, will be seen here in a production of the popular and successful vehicle Susan in Search of a Husband, in which she found such favor at the Liberty Theater, New York, within a few weeks. Miss Irving is to be supported by Harry Hilliard, Alan Pollock, Darrell Standing, Miss Willett Kershaw, Miss Helen Weathersby, Miss Emily Wakeman and B. W. Lyons, and they are all well known Broadway players who have made names for themselves.

Miss Irving, when Susan in Search of a Husband was given at the Liberty Theater this season, was especially engaged to support Miss Robson, and at the end of that engagement, Mr. George C. Tyler, the executive head of Liebler & Co., found himself with the above mentioned players on his hands. They were all under contract and he then decided to send Miss Irving forth at the head of the company playing the part originated by Miss Robson with the other members of the cast in their old roles. This was done, not only to take care of the artistic enumerated above, but to give the country at large an opportunity to see the style of play that is being given by Miss Robson during her all season engagement at the Liberty Theater this season, and the character of the production. The piece itself is from the pen of Eugene W. Presbrey, and is drawn from a story by Jerome H. Jerome, that master English humorist, who has done so much excellent work. Competent critics assert that it is without exception one of the most charming comedies that has yet been given to the American stage, and that it abounds with a subtle wit and humor that are enthralling attractive.

Medicine That is Medicine

"I have suffered a good deal with malaria and stomach complaints, but I have now found remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is medicine for stomach and liver troubles, and for run down conditions," says W. C. Kiestler, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. WHY IT SUCCEEDS

Because It's for One Thing Only and Mississippi People Appreciate This

Nothing can be good for every thing.

Doing one thing well brings success.

Doan's Kidney Pills do one thing only.

They cure sick kidneys.

They cure backache, every kidney ail.

I. E. Adams corner 29th Avenue and 9th street, Meridian, Miss., says:

"I used Doan's Kidney Pills for kidney and bladder trouble. Before using them I had been under the care of a physician. He did not seem to understand my case and I became worse under his treatment. I finally gave up his treatment and commenced using Doan's Kidney Pills, which had been highly recommended to me. In a short time the inflammation and irritation had disappeared and I was as well as ever before in my life. They seemed to have a healing effect upon the kidneys and bladder, giving me ease almost immediately. Doan's Kidney Pills cured me and I am glad to add my testimony in their favor to the many others who also testify to their great value."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. Cheney & Co., Toledo, O. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.

Big Crops Mean Bigger Profits

Big profits from cotton, tobacco, and corn, tomatoes, cabbage, lettuce, beans and fruits depend upon their uniform growth and quicker and larger growth are high fertilization with

such garden crops as and all other vegetables and rapid growth. Big profits are positively assured through

Virginia-Carolina Fertilizers

That Virginia-Carolina Fertilizers are far superior to any other fertilizers is proved by the experience of Mr. D. M. Griffin, D. D. S. of Plant City, Fla., who says: "I was trucking on a small scale, and decided I would try a few sacks of your fertilizer, as it was cheap and said to be good. I put it on some tomatoes by the side of some other high grade fertilizer which cost me \$15 a ton more, and in the same proportion per acre. I don't think I exaggerate in the least in saying that the yield where I used Virginia-Carolina Fertilizers was three times that of where I used the other brand of so-called high-grade fertilizer."

Many valuable pointers on truck farming written by government and private authorities, will be found in our new Farmers' Year Book or Almanac. Get a copy at your fertilizer dealer's, or write to our nearest sales office. It is free.
